

Snow Berm Removal Form Instructions

The City of Show Low offers courtesy berm removal from driveways to citizens who are physically challenged and who reside alone or with no other able bodied person. The removal is considered to be a non-emergency task and will be completed at the end of the snowstorm when all City streets are cleared.

An application form must be on file with the City of Show Low and those requesting this service must meet the requirements stated on the application. A physician's signature is required on all applications for snow berm removal. Forms submitted without a physician's signature or letter from the physician will not be accepted. The accepted forms will remain effective for two years from the date of the signature.

If you encounter a life threatening or medical emergency that necessitates you leaving your residence prior to your berm removal, you should contact the Show Low Police Department by dialing 911. Please remember, dialing 911 initiates an emergency response by members of the police department, fire department, and/or ambulance.

An application may be completed by printing out the on-line form or by contacting Laura Cromwell, Public Works Administrative Assistant at 928-532-4100 and requesting a form be mailed to you. To print out the on-line form, please go to the City website at showlowaz.gov.

Please note: **THE ON-LINE FORM IS A FILLABLE FORM, HOWEVER AN ORIGINAL PHYSICIANS SIGNATURE MUST BE ON THE FORM PRIOR TO SUBMITTING THE COMPLETED FORM FOR APPROVAL.**

Please submit completed application forms to City of Show Low, Attn: Laura Cromwell, 1281 E Thornton, Show Low, AZ 85901 or you may bring them into City Hall, located at 550 N 9th Place and they will be forwarded to the Public Works Yard.
