Be prepared for wildfires

We live in a forest environment, which means it is not a question of if, but when, the next major wildfire will strike. The most important person to protect your life and property is YOU, through advance planning and preparation. Clear an area around your home to create a fire-safe zone and consider using fire-resistant or non-flammable materials (roofing, exterior surfaces, fencing) to create a "hardened" home. Navajo County emergency services and Timber Mesa Fire & Medical District offer more information through the Ready, Set, Go! program. Call the county at (928) 524-4163 or the fire district at (928) 537-5100 or online at 311info.net.

City newsletters are produced by the City of Show Low, 180 N. 9th Street, Show Low, AZ 85901. Quarterly newsletters (Jan-Mar, Apr-June, July-Sept, Oct-Dec) are distributed with the utility bills. Direct comments to (928) 532-4061 or 532-4060.

City to hold primary election...*continued from cover page*

voters before it is implemented. The current General Plan was approved by Show Low's voters in March 2008. Given the local economy's slow growth over the past ten years and subsequent minimal new development, the existing General Plan was simply updated with new demographic data (e.g., population, sales tax collection, building permits), general information (e.g., number of utility customers) and maps to reflect current conditions. The 2018 Plan.

Voters may register with Navajo County to receive an "early" ballot, which means the ballot will be mailed to you. If you moved since registering or your mailing address has changed, the ballot will not be forwarded per state law. To check your address, call the county at 1-800-668-3867 or (928) 524-4192. The voter registration deadline for the primary election is July 30.

Anyone interested in running for a Council seat may request a candidate packet. Candidates must be 18 years old at the time of the election, a registered voter and a Show Low resident for at least one year prior to the election. Deadline for application submission is May 30. Call (928) 532-4061 or 532-4060 for an appointment.

(Note: Federal law requires election-related information be provided in both English and Spanish.)

La Ciudad de Show Low celebrará elecciones primarias el 28 de agosto de 2018, a través de un contrato con el departamento de elecciones del Condado de Navajo. Las elecciones se combinarán con las elecciones federales, estatales y del condado, y los votantes podrán votar en cualquiera de los dos lugares de votación de Show Low.

Los votantes seleccionarán candidatos para tres escaños del

Consejo, todos los períodos de cuatro años, y se les pedirá que consideren una propuesta para aprobar el Plan General actualizado. Si los tres escaños del Consejo no se llenan en la primaria, se llevarán a cabo elecciones generales el 6 de noviembre.

Según lo exige la ley estatal, las municipalidades de Arizona deben actualizar su Plan General cada diez años y buscar la aprobación de los votantes antes de implementarlo. El actual Plan General fue aprobado por los votantes de Show Low en marzo de 2008. Dado el lento crecimiento de la economía local en los últimos diez años y el posterior desarrollo mínimo, el Plan General existente simplemente se actualizó con nuevos datos demográficos (por ejemplo, población,

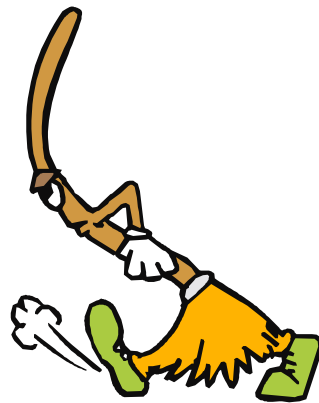

recaudación de impuestos sobre las ventas, permisos de construcción), información general (por ejemplo, número de clientes de servicios públicos) y mapas para reflejar las condiciones actuales. La versión 2018 es una copia cercana del Plan 2008.

Los votantes pueden registrarse en el Condado de Navajo para recibir una boleta "temprana," lo que significa que la boleta se le enviará por correo. Si usted se mudó desde que se inscribió o su dirección postal ha cambiado, la boleta no se enviará según la ley estatal. Para verificar su dirección, llame al condado al 1-800-668-3867 o (928) 524-4192. La fecha límite para registrarse para votar en las elecciones primarias es el 30 de julio.

Cualquier persona interesada en postularse para un puesto en el Consejo puede solicitar un paquete candidato. Para ser elegible, un candidato debe tener 18 años al momento de la elección, ser un votante registrado y un residente de Show Low por lo menos un año antes de la elección. La fecha límite para presentar la solicitud es el 30 de mayo. Llame al (928) 532-4061 o al 532-4060 para programar una cita.

Project Clean Sweep...*continued from cover page*

❖ **Monday, June 4-Friday, June 8 for Bulky Item Pickup**, with city employees picking up large unwanted appliances (empty refrigerators or freezers of all contents before placing at curbside), furniture, tires, etc. Place items in front of your residence by 7 a.m. on your *regularly scheduled trash collection day*. For green waste, we strongly encourage you to take advantage of free dumping at Dirty Deeds. If you do put out green waste, *branches and limbs must be less than 4 feet long and bundled*.

❖ **Monday, June 4-Saturday, June 9 for Free Dumping at Lone Pine Transfer Station** (off SR77). The transfer station will remain open from 8 a.m. to 4 p.m., including Saturday,

but will *not* accept hazardous materials including pesticides, herbicides, oils, liquid paints, and household cleaning products; automobile batteries; and tires with or without rims. Materials from construction sites or commercial debris will be charged standard rates.

❖ For **abandoned vehicles**, call S&D Auto Wrecking at 537-7132 or Show Low Auto Sales at 537-2911 to make arrangements. They will pay cash for inoperable vehicles, with or without a title, and will haul them away at no charge to you.

A flyer with more detailed information will be distributed with the May utility bill and posted to showlowaz.gov. Refuse customers that miss Project Clean Sweep can still take advantage of free excess trash collection (July 9 to 12, September 10 to 13 and November 5 to 8). Large items such as refrigerators and freezers cannot be accepted through this collection method.

Take advantage of this annual free program to make your property more attractive. Let's all do our part to keep Show Low beautiful! For more information, call (928) 532-4100.
