### Marsh Prescribed Burn Planned Implementation

*Planned Prescribed Burns are always weather dependent*

**Springerville, AZ, December 6th, 2021** — The Lakeside Ranger District is planning to begin the Marsh Prescribed Burn project over the next two weeks (December 7th – December 17th).

The Marsh Project encompasses multiple small marsh ponds totaling 25 acres, which are located West of highway 77, approximately 2 miles North of the Showlow City Limits.

Smoke from this project is expected to be visible the day of the burn and dissipate is 24 to 48 hours depending on the weather. Caution should be used when traveling in the area.

Questions about the project can be directed to the Lakeside District Office at (928) 368-2100.
